Wm. Curtis Dies in Colorado.

Wm. Curtis, aged 75, died at LaMar, Colo. Tuesday of last week after undergoing an operation. Mr. Curtis formerly lived at Spout Spring but moved to Colorado in 1891 where he has since lived.

Mr. Curtis was twice married. His first marriage was to Mrs. Mahala Curtis, whose maiden name was Barnett, an aunt of W. F. Barnett, of this county; his last marriage was to Mrs. Sarah Mansfield, of this county, whose maiden name was Martin, a sister to Sol Martin and Mrs. Asa Todd, of this county.

He is the father of N. B. Curtis, also of Colorado, whose death notice appeared in these columns two weeks ago. His last wife survives.

Sells Montgomery County Farm

N. S. McDonald sold his farm of 180 acres near Mt. Sterling last week for \$400 per acre. Mr. McDonald went from this county one year ago and purchased this farm at \$300 per acre. He sold the crop from this land for something nearly enough to make his profit on the deal mount up close to 25,000.

Mr. McDonald has purchased a farm of 250 acres near Pine Grove, Clark county, at \$460 per acre.

Settles Death Claim

J. P. Hopkins, representing the Commonwealth Life Insurance Company, of Winchester, was here last Thursday and settled the insurance of Mrs. Allie Borders, of this city. Just a week ago Mr. Hopkins paid Mrs. Lula Dawson Walden \$5,000.00 life policy on her husband, who had taken the policy January 2nd, this year. The Commonwealth has the reputation for quick adjustment of all claims.

Fruit Endangered

Easter brought us a touch of real winter, Monday being an unusually Marchy day. Hail, wind and heavy rain storm Sunday was pretty general over the county. The river has been on a rampage for a week today. The cool weather, it is feared, has greatly injured the peaches and early blooming plums and pears.

Special Term of Court

A Special term of Circuit court will convene at Stanton April 19th for one weeks session. This special term is called to finish up the business of the regular March term which was adjourned on account of the flu situation at that time.

Change in Train Time

The east bound morning train has changed time arriving here at 8:30 a. m. instead of 8:30 as formerly. The change has caused many to miss the train, thinking it still goes up at 8:30.

Dr. Nickel Busy

Dr. Nickel, our dentist is a busy man these days. He will remain here until the 15th or 20th when he will spend a week at Stanton, and after that date he will be at Torrent for awhile.

Lombard Entertainers

The Lombard Entertainers, who will appear here on the Lyceum course April 10, will feature extraordinary costumes, some of them imported from Japan. The company consists of Harry Lombard and Lola Fairchild Lombard, his wife, who appears here on the Lyceum course Saturday evening.

Other features are Chinese Chimes, something never used on the Lyceum platform before; a remarkable one-stringed cello and a gypsy camp fire setting.

Costumed sketches from such popular operas as "The Bohemian Girl" and "The Fortune Teller" are striking features of a great program with songs, readings, whistling solos and piano-logues.

It is a program replete with good musical material given in an entertaining and delightful way.

Harry Lombard, baritone, is known not only as a singer but also for his ability as a comedian of high rank. Mr. Lombard probably has few equals in musical comedy among Lyceum artists. He has had long experience on the concert and operatic stage. For eight years he was baritone with the English Opera Company.

Lola Fairchild Lombard, formerly with the Fairchild Ladies Quartet, has a high contralto voice and is also a dramatic reader and impersonator.

Former Kentuckian Dies in Texas

Andrew J. Daughette died at his home at Valley View, Cooke county, Texas last week, according to a dispatch sent to relatives in Clark county. Mr. Daughette is survived by three sons, Ernest and Bowen, of Texas, and Lewis, of Two Buttes, Colo. John S. Daughette, a brother, of Medaryville, Ind., survives, and one sister, Mrs. B. F. Burgher, of Clark county.

Mr. Daughette moved with his parents to Valley View, Tex. in 1884. He returned in 1898 and married Miss Nettie Christopher, of Spout Spring. Mrs. Daughette passed away in 1898 at their home in Texas.

Robert S. Russell Badly Burned

Robert S. Russell, manager of the Russell Oil Lands Lease, and son of Frank B. Russell, was seriously burned Friday by an explosion of natural gas at Torrent. He was taken through here on the Saturday morning train to a Lexington hospital.

He was badly, though not seriously, burned about the arms and face and suffered great pain as a consequence.

The many friends of the Russell family in Clay City wish him a speedy recovery from this injury.

Child Dies at Quicksand

Clifton, the little three-year-old son of Mr. and Mrs. Frank Baker died Friday night at their home at Quicksand of pneumonia and was brought here and taken to Powell's Valley Sunday for burial.

Hardwick & Company, at Stanton, have received their new spring goods, and, therefore, have a change in their advertisement. Call on them. It will pay you.

Stanton Lodge No 352 F. & A. M.

Stanton, Ky., April 3, 1920.

Whereas, An all-wise God has seen fit to enter our ranks and remove from our midst our beloved brother, W. G. Frazier, in whose death sorrow was never more keenly felt by all. From the heads frosted by the bleak of wintry years to the child just entering the bright spring-time of life, none knew the deceased but to love and respect him. Though loving hands of relatives and friends, aided by the skill of the best physicians, did all in their power to stay the grim monster, death, their efforts proved of no avail. Perhaps there never lived in this town, even in this county, a man more universally liked and loved by all classes and conditions of people, than W. G. Frazier; which is attested by the fact that he held public office and labored and worked over the most particular and tedious work of public records and Powell County's Fiscal affairs for a period of twenty-four consecutive years, and in that time he has indelibly written himself into the public records of the county's legal affairs; There he established a record of efficiency and neatness that is so near to the perfect that it will be the standard by which this county's Clerks and Public Recorders of Records will always be gauged. He was of a happy and jovial disposition, true to his friends, and it was his greatest pleasure to extend a kindly hand to the defenseless and fallen. He was a useful and energetic citizen, and leaves a vacancy in our ranks that will be hard to fill. In the death of our brother we have a representation of our own mortality. The stream of life may run through a thousand channels, but run where it will, through floods of cheerful sunlight or the moon-washed shadows of night, smoothly or languidly, it is stopped by death. Brother Frazier was a worshiper of liberty, a friend of the oppressed. He believed that happiness was the only good; reason the only torch; justice the only worship; humanity the only religion and love the only peace. He added to the sum of human joy, and were every one to whom he did some loving service bring a blossom to his grave he would sleep beneath a wilderness of flowers.

Therefore be it Resolved: That in the death of W. G. Frazier, Stanton Lodge No. 352, has lost one of its most efficient officers of the past, a faithful brother and friend, whose loss will be mourned through the coming year. Be it further Resolved: That a page in the record book of this lodge be devoted to this preamble and these resolutions, a copy be sent to the family of our deceased brother, and that they be published in the Clay City Times and the Masonic Home Journal.

John Kirk continues very ill with rheumatism, being unable to turn himself in bed or move his limbs. He has been so confined for a number of days.

Personal Paragraphs

Mr. and Mrs. A. T. Whitt visited friends at Lawrenceburg Saturday and Sunday.

Mrs. Burrell Akers, of Winchester, was in her old home town of Clay City Friday.

Chas. Welch visited his wife in Lexington Saturday. He found her to be no better.

Mr. Birchfield, from somewhere up the line, spent Sunday night with his sister, Mrs. H. G. Crabtree.

Mrs. Margaret Harsaw and son, Clayton, of Winchester, spent Tuesday of last week with J. B. Eaton and family.

T. M. Mountz went to Lexington Saturday where he was initiated into the United Commercial Traveling Men's Association.

Mrs. G. W. Anderson and children, of Mt. Sterling, spent Easter with her husband, at Beattyville, and returned here Monday to visit her mother, Mrs. E. N. Wilson.

T. J. Kirk made three trips the past week to Levee and Mt. Sterling and on one trip brought back Dr. See to see his son, John Kirk, who is suffering with tonsillitis and rheumatism.

Mrs. A. P. Johnson left yesterday morning for Jackson to visit her daughter, Mrs. W. T. Rye. Mr. Johnson went up this morning to spend the day and they will return this afternoon.

Robert Eaton was quite sick the last of the week and on this account his father, C. C. Eaton, was called home from Evelyn to be with him. Robert is much better and Cliff returned to his work Monday.

SPOUT SPRING

Morgan McKinney, of Winchester, was here Saturday.

Chas. Welch and children, of Vaughn's Mill, spent Easter with Mr. and Mrs. Shelt McKinney.

Shelt McKinney was in Lexington Friday with his little nephew, Jack Conlee, to have him treated for an eye trouble.

Mrs. Belle Burgher lost a splendid Jersey cow last week from an unknown trouble. She was found dead in pasture.

Mrs. Albert Crow and her son, Asa Crow, attended the funeral of Mrs. Lennie Crow at Winchester Tuesday.

C. A. Conlee, of Stanton, was here Sunday to see his little son, Jack, who is suffering from a bad throat trouble and adenoids.

STANTON.

Mr. and Mrs. Johnnie Shinkle, Williamstown, Grant county, have been visiting their uncle, Dr. J. E. Lemming.

Mrs. Mollie Crawford and daughter, Martell, visited Mrs. Ben Sewell, Jackson, last week. They will return to their home in the oil fields near Torrent Wednesday.

Among those who were here to attend the burial of W. G. Frazier were Mr. and Mrs. Geo. Stephens, Mr. and Charley Stephens, Mt. Sterling, and Strother Snowden, Lexington.

Mrs. Lennie Crow, 30 years old, died in Winchester Sunday night after a lingering illness of tuberculosis. She had a few weeks ago gone there that her mother, Mrs. Chaney, might be with her.

Funeral services Tuesday at the home by Rev. R. A. McConagha, of Stanton. Burial in the Winchester cemetery.

Besides her husband, she leaves two children, Cecil, five years old, and Juanita, ten months old. Her father, and mother Mr. and Mrs. Wilson Chaney, also survive as do several brothers and sisters.

Sells Ford

Mr. F. G. Conlee sold his Ford automobile last week to Jeff Martin at Stanton. This machine is practically new and has been equipped with several accessories. Mr. Conlee contemplates going to the oil fields this spring and thus has concluded that he can do without a car until he returns in the fall.

L. & N. Trains Detoured

All W. & I. trains Saturday ran over the L. & E. tracks from Beattyville to Winchester. A wreck on the line somewhere prevented the trains running by Irvine.

WHY HAVE "SPRING FEVER"

Why Worry, Fret, and Get
Nothing Done, Just Because
Your Blood Is Sluggish?

YOUR BLOOD NEEDS STRENGTHENING

People Nowadays Take That
Wonderfully Effective Blood
Tonic, Pepto-Mangan—
Your Druggist Has It

Really, isn't it foolish to be
handicapped for weeks in the
Spring, just because your blood
is sluggish?

The glorious Spring days! You
ought enjoy them, instead of
feeling unhappy and half asleep—
just too tired out for anything.
You ought to be finding new vigor
or for your work—the Spring
air—"pep," enthusiasm, happi-
ness!

But you can't, because your
blood is clogged with poisons.
For long months it has had too
little fresh air and has fought off
many germs. And it now has
heat making properties that are
not needed in warm weather.

Don't work under a handicap,
when it isn't necessary at all.
Clear up your sluggish blood.
Give it help. Get some of that
famous blood purifier and tonic,
Pepto-Mangan.

Pepto-Mangan is used by phy-
sicians everywhere. You can buy
it at any drug store in either li-
quid or tablet form, just as you
prefer. There's no difference in
medicinal value.

Make certain that you get the
genuine Pepto-Mangan. Ask for
"Gude's "Pepto-Mangan," and
see that the name "Gude's" is
on the package.

Hobert Russell, general man-
ager for Superior Oil Company,
and Thomas Curtis, an employee,
both were fatally burned about
the face Friday, while repairing a
Delco light plant engine, on the
Russell oil lease, that had become
connected up to a leaky gas pipe
which gave the power and was
ignited by a spark. Mr. Russell
was taken to a Lexington hospi-
tal while Mr. Curtis was brought
here for medical treatment.

he was much benefited and is
back to his manual labor.

Crude oil has advanced consid-
erably within the last few
months, therefore some new lease-
s have been taken at Furnace

lately and tools are being moved
to them to drill. There is no
doubt about the oil on these lease-
s. It is considered shallow,
but thought would pay at the
present high prices.

Many Sunday schools, through-
out the country, were disconti-
nued late last fall on account of
weather conditions and bad roads.
The weather is fine now, the

roads growing better all the
while, why not reorganize at
once? I am sure every little we
do we will be amply rewarded
for it. Paul says in 2nd Tim.
3:14 that in the last days men
shall be lovers of their own selves,
lovers of pleasure more than
lovers of God. Who knows but
what we are now in the last days
spoken of above?

V-C Plant Food applied to your
vegetable garden will mean big yields
from little space—makes vines pro-
duce more heavily—insures a supply
of fresh vegetables for home use and
for canning.

Flowers Shrubs Lawns Gardens Are Helped By V-C Plant Food

Like human beings, plants need food—three kinds of it. First,
Nitrogen to give a start and quick growth of good, green foliage.
Then, Phosphoric Acid and Potash with which the plants build their
stems and blossoms.

V-C Plant Food supplies all three kinds in the right proportions.
Use it and thus give your shrubs rich green color, evidence of an
even healthy growth—flower beds become more gorgeous and colorful
—plants in pots and window boxes bloom better—the vegetable gar-
den yields surprise you.

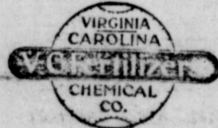

It is not necessary to have a rich soil to start with. V-C Plant Food
is richer than any soil Nature ever created. It is just like putting the
richest earth on top of your garden and on the soil around your flowers.

The Nitrogen in a 25-lb. bag equals in producing power the Nitrogen in
1,500 pounds of manure. V-C Plant Food is many times richer in Phos-
phoric Acid and many times richer in Potash.

V-C Plant Food comes in handy packages—easy to handle—sanitary—
easy to apply.

Death of Mrs. Alvin Spencer

ALVIN, Wisc. Mar. 30, '20.
Rev. Mrs. Alvin Spencer, died
March 1, 1920. Her age was sixty-
seven years the 19th of March. She
had been married fifty-two
years the 5th of March.

Mrs. Spencer raised fifteen chil-
dren and had only lost one. She
left a husband and fourteen chil-
dren to mourn her death, besides
a host of relatives and friends.

All her children are married
but one, the youngest girl, Etta.
All were close enough to be at her
bedside except one who lives in
Kentucky, being Rev. Ponder
Spencer, at Torrent.

Eight of her boys here acted as
Pall Bearers. Columbus, Zander,
Nim, Claude, Jake, Pat, Herbert
and Strauther.

The 7th of last September she
left Wisconsin to visit her son,
Ponder Spencer, in Kentucky.
She spent two months with him,
and returned November 6th. She
had not been well since she came
back. She raised most of her
family on Molden Branch, near
Nada. She had several old friends
there. A few days before she
passed away she spoke of her old
neighbors in Kentucky. She was
a good wife, mother and a good
Christian. It will be sad to see a
vacant seat in the old Baptist
Church of which she was a mem-
ber.

THE UNIVERSAL CAR

The Ford Touring Car is literally the pioneer in the solution of the Good
Roads problem, because three million or more in operation brought up to the
millions of America the necessity of good roads if quick transportation at low
expense was to be enjoyed. The simplicity of the Ford car, its stability in
construction, the famous heat-treated Vanadium steel with its marvelous strength
and flexibility, the low cost of operation and maintenance, its ease in operation,
all have made the Ford car the great favorite in every land in the world. It's
the one car that always satisfies and serves. A utility beyond question that all
can afford. We sell them and will be pleased to have your order. Don't delay,
because the demand is heavy all the time. We have almost everything in motor
car accessories, carry the genuine Ford Parts, and assure the best in mechanical
repair work.

SLADE

H. S. McKnabb is in hospital at Lexington.

Mrs. Martin Ford visited Mrs. Ed Proffitt Sunday.

Representative Sherman Robbins was here last Saturday.

Born to Mr. and Mrs. Newton Hutson Sunday, a fine son.

George McKnabb, of Lexington, visited home folks last week.

John Fitch, of Lexington, was a business visitor here last week.

Mrs. Heckerman, of Lexington, is visiting Mrs. Longhead here.

James Proffitt, of Winchester, was a business visitor here Monday.

Bob McKnabb has moved into the house vacated by Mr. Longhead.

Robert Ewen is building new porches and raising his house to a two story.

Mrs. Effie Smith and Minnie Faulkner, visited Mrs. Fred Scott at refinery last Friday afternoon.

Miss Annie Bowen has returned home from Richmond, where she has been attending State Normal.

Mrs. Effie Smith, of Stanton, visited her grand-mother, Mrs. Mary E. Faulkner, several days last week.

Martin Ford accompanied San McKnabb to hospital last Friday. Mr. McKnabb is 85 years old and very feeble.

Misses Ila, Mattie, Maggie and Rosa Ford, Mattie McKnabb, Blanche and Mabel Ledford went to the Bridge Sunday.

Joe Ealem has moved into the house near Iron bridge. Ritch Fortner has moved to Clear Branch into the house vacated by Mr. Ealem.

We fear the snow and ice has injured the early fruit, if not killed it. One thing sure, it has not helped it any. The groundhog has made good his prophesy this time for sure.

Many friends here of Grant Frazier were grieved to learn of his unexpected death and extend to his family our deepest sympathy. Mr. Frazier was a useful man and will be greatly missed all over the county.

Mr. and Mrs. Edward T. Ewen are here. They both served the country

overseas during the world's war and it is very interesting to hear them tell their experience. Mrs. Ewen was a nurse. She went over with the Louisville unit.

The writer of Slade news is very busy this time of year as all other farmers are and would appreciate very much if all who have visitors or any interesting news would write a note and hand in for our Slade letter, and we believe correspondents all over the county would appreciate same.

Quite a few from this precinct went before the tax commissioner at Stanton last Wednesday. One trouble is, the people do not list their property at a fair cash value, and another, we fail to see where our tax money goes. Every reasonable citizen in the county is willing to pay a fair tax and also want the money used for what it was intended.

So much is said about high cost of living, sugar being so high and numerous other things and why is it and what is the remedy? If every woman in the United States would use a little common sense, (if there be such a thing,) and wear out their clothes instead of being governed by fear that some one would think they could not afford better and because some ignoramus in Paris says throw away your old coat suit and hat get another for Easter, a pair of peg heel shoes to make you walk deformed and like you were walking on eggs, get a certain new stripe, make your new skirt shorter, tighter etc. How much could be said? We wonder why the men don't form a union and go over to Paris or the leading fashion makers and buy them out and get them to start a fashion that old time patches, such as our grandmothers wore, were a new style and watch the women wear them. They would wear any kind of patch they thought stylish, and such a prank would be worth lots of money.

If every one would pledge themselves to use no sugar until the price was reasonable, and stick to it. Do you believe it

would be 25 cts a pound long? No, it would take a tumble and not be long at it. We need a few honest and fearless people like we used to have. Our mothers and grandmothers were as good as we are and they did not dress and waste as we do. What will be the consequence in fifty years hence if there isn't a check? It is something to think about. Pride and greed are ruining the world and a majority of the people could save half if they would do it. Just think what the medical world says to eat to live and then think what we eat. We eat to die instead of to live. We cook too much too many things at one time and try to eat it all at once and pay a doctor bill and shorten our lives, but time goes on and prices higher and folks pay it.
